JANUARY 2012 LAKE WILDWOOD ASSOCIATION, INC. Vol. 42 No. 1

## Property Manager's Report

The past year has been a great year for Lake Wildwood. There have been many improvements made to the common areas. We have paved another 1.2 miles of road on Greentree Parkway. We have a new security company in place that is doing an awesome job. It has been my pleasure to be a part of this community for the past year. I look forward to a lot of new and good things to come.

Everyone has received their letters with the new dues attached. If you pay by February 5th, you can save a little money. You can set up a payment plan as well. Dues are so important in a community. You bought your home in this community for a reason and paying dues help to keep it running smoothly.

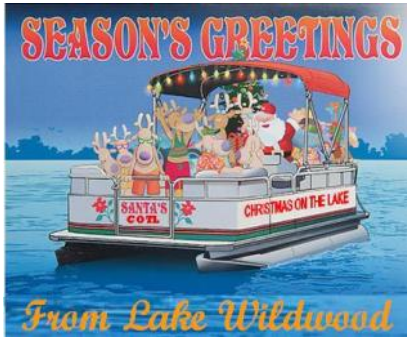

Remember it takes a lot of people and volunteers to run a community this big. Please become a part of your community by volunteering for a committee. We all have to do our part to keep it clean, so please don't litter and pick up trash when you see it on the streets. Take pride in your homes and keep them well manicured. When we have a neat and clean community it will bring values of your homes up. We all know in this time that is needed badly.

I look forward to continuing to get to know more of the residents and look forward to a wonderful 2012.

Lake Wildwood's 2011 Christmas on the Lake  
Charity to Benefit Pine Pointe Hospice of Central Georgia  
Elaine Evans, Chairperson/Coordinator and Doug Dunmire, Co-Chair

Whooooiiiiiii! This year's Christmas on the lake (COTL) was an overwhelming success! COTL was figuratively flooded with people. Despite sailing 7 boats, the line went from the edge of the docks to the edge of the road and even wrapped back on itself half again.

Despite the long line, a joyful holiday spirit was the dominant emotion as evidenced by the often lively entertaining Christmas karaoke. Many got up and sang, from the very young to the very old, from those just having fun to some with a divine singing gift and even...jolly ol' Santa Claus himself (and, yes, he could sing and rap quite well!!)

This overwhelming success was due to a lot of things coming together, an awesome turn-out, the right advertising, good sponsors, a worthy charity and a number of selfless people working together to make this year's Christmas on the Lake the success it was. Our thanks and appreciation to:

- All our sponsors! (Page 5)
- Santa Claus (Tom Padget)!
- All those who decorated their homes!
- Bibb County Sheriff's Office and LWW Security!
- All the COTL participants!
- WMAZ TV, Fox 24 News Central, and Central Georgia Ghost Busters
- Each and every volunteer no matter how little or how great your service

Indeed thank you to the people who went through untold trouble, effort and expense to adorn their home with dazzling strings of lights and the indefatigable volunteers who gave their evenings and endured many hours in the cold and wind. Yet, we must humbly remember the most critical element of Christmas on the Lake, which are the hundreds of people who came out and patiently waited in often long lines for their chance on a pontoon boat ride to experience Lake Wildwood's dazzling display of lights. Again, our sincerest thanks and appreciation to all!

## In Memory of Harold Hampton

As many of you know, we lost a dear friend and neighbor last year on November 6th of 2011. Harold's passing was a very sad day for so many of us.

Harold was an avid fisherman and a hard worker. He volunteered his time selflessly to several community events and projects in Lake Wildwood. One of those was the rose garden at the front gate when he assisted the beautification committee in preparing and planting the roses. Our first Outback Steak Night! He also received the Volunteer of the Month award! He was dedicated and loyal to helping make our community a better place to live. We have truly lost a great neighbor and friend. Harold's dedication to this community will long be remembered and he will be missed by his family and many friends of Lake Wildwood. Personally, to me, he was a great inspiration and encourager to do the right thing!

Harold is survived by his lovely best friend and companion BJ Hampton, and his canine friend; Sarge, who still reside in LWW. We will again one day have that cup of coffee, and as you would put it, "talk about it"!

God Speed, our dear friend!

Our deepest sympathy to Harold's family and friends.

A Very Special Thanks to the
